

PRODUCT WARRANTY INFORMATION

Three Year Limited Warranty **RUPP MARINE Top Gun™ Products**

All TopGun™ outrigger bases and poles are warranted against defects in materials and workmanship, to the original owner, for a period of three years from the date of purchase. If you feel your product has a defect within the terms of this warranty please contact RUPP for a Return Authorization Number (RA#). During this warranty period we will repair or replace defective product, at our option, without further cost to you subject to the performance guarantees stated below. For items that may no longer be available, comparable product of equal value may be provided to original purchaser in lieu of defective items. This warranty covers repair or replacement costs and freight back to the original purchaser.

All RUPP products are intended for recreational use on pleasure crafts and all of our products require routine maintenance, including, but not limited to, fresh water rinse after use. Other maintenance as required per individual product guidelines.

This warranty does not include the following: Damage from high wind or hurricane, damage from collision or trailering, faulty, incorrect or poorly adjusted release clips, cosmetic issues with carbon fiber poles, damage of components due to corrosive cleaners or lubricants, damage as a result of a combination of rough seas and high speeds, or damage associated with failure to wash off salt water. This guarantee does not extend to corrosion resulting from galvanic reaction (improper electrical grounding). Slight fading or dullness of finish over time is a normal occurrence of weathering and does not constitute a defect. This warranty is void if the product has been damaged by neglect, unreasonable use, improper service, improper installation, failure to follow maintenance guidelines or if the product has been altered or modified from its original design or construction.

RUPP's liability and purchaser's exclusive remedy for damages shall not, in any case, be greater than the purchase price of the actual product claimed to be defective. RUPP shall not be liable for any indirect, incidental or consequential damages, including, but no limited to, present or prospective profits, reliance expenditures or commitments, reputation, goodwill or claims of third parties.
